NARRATIVE

On 01/30/2015 at about 1355 hours (all times approximate) I was dispatched by police radio to a non-blocking/non-injury two vehicle collision in the 8800 block of 20th Street SE in the city of Lake Stevens.

Arriving on scene I contacted both drivers where they had parked their vehicles on the north shoulder of westbound 20th Street SE.

At the time of the collision neither driver claimed any injury as a result of the collision.

Based on statements and evidence to the vehicles it is claimed that U1 had been traveling westbound in the outside lane of travel in the 8800 block of 20th Street (a lane which ends and must merge left into the inside lane) and U2 had been traveling in the inside lane of travel in the 8800 block of 20th Street. At a location where the outside lane ends (having to merge left) U1 and U2 made contact as U1 attempted to merge into the inside lane at the end of the outside lane. U1 had marks on the rear driver's portion of the vehicle and U2 had marks on the front passenger portion of the vehicle; indicating U1 had been slightly ahead of U2 during contact.

The driver of U1 claimed U2 had sped up just prior to contact and the driver of U2 claimed the driver of U1 just came over into his lane striking his vehicle. Both drivers indicated there had been vehicle traffic in front of U2 in the inside lane.

I took several digital images of the two vehicles involved. I was unable to take digital images of the roadway due to a priority call I had to divert to.

The driver of U2 stated he does not have vehicle insurance and was cited for this infraction.

Both vehicles drove away from the scene under their own power.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

Driving west on 20th St. in right lane since Tom Thumb. Cars driving in both lanes. Last light before lanes merge both lanes full. After light cars in right lane merging into remaining lane. Put on left directional and was moving into space behind dark colored car to my left that was ahead of me. Red Tercel was behind my left rear corner. I speeded up slightly to fit in behind dark car. For Tercel to have hit my car on middle of my car and further back on left side he would have had to also be ~~speed~~ picking up speed behind me for us to hit at that location on my car. I was surprised the damage to the car was as far up as the middle. We bounced off and then immediately pulled over & called sheriff.

I was driving west on 20th St SE, the road had two lanes in that direction, which changes to one lane. I was in the left lane, and the lady in the right lane failed to merge, instead hitting my vehicle. She told me when I asked "did you see me there?" she said yes. I was not going to swerve into oncoming traffic to avoid her careless and reckless driving, but now my only car is damaged and must be repaired. This was her fault and she needs to fix my car and learn how to drive.

When she struck my vehicle, the rear half of her car destroyed my passenger side fender, damaged the bumper, and messed up my mirror. Her vehicle appears to have a scratch on it only. This is what I saw.
